

## Suggestions to improve pace of play:

- Plan your shot while walking to your ball or while others are playing
- Line up your putt when others are putting
- Be ready to play when it is your turn
- If riding, take several clubs with you to your ball so you won't have to walk back to the cart
- Play a provisional ball if you think the original might be lost outside a water hazard or out of bounds
- Leave your cart/clubs on the side of the putting green towards the next tee
- Exit the putting green promptly after holing out
- If playing in a foursome, the first two players to hole out can move ahead to the next tee box and tee off
